¹ Students may earn a maximum of 12 units for multiple AP Calculus exams.

² If you wish to place out of one or more courses in our music core curriculum, please take Lawrence's Advanced Placement exam in Music Theory, which consists of an online written-skills portion the summer before you enroll and an on-campus aural-skills portion during Welcome Week. This is in addition to the required Music Theory placement exam we administer during the summer before you enroll, which determines placement into appropriate Music Theory sections at Lawrence.

³ Students may earn a maximum of 12 units for multiple AP Physics exams.
